Hana Financial Investment

 www.hanaw.com

Hana Financial Investment (HFI) is an unsurpassed leader in asset management with many industry firsts, including Korea's first investment trust service and investment fund. The company traces its origin to Korea Investment Corporation (established in 1968), renamed Korea Investment Trust in 1977, and redefined with the current name in 2015. It became a mega-size investment bank (IB) after two paid-in capital increases, in 2018 and 2020, bringing capital up to KRW 4.0 trillion, performing a leading role in the Group's IB business. Unsurpassed in overseas alternative investment in particular, HFI is growing into Asia's top IB gaining the attention of global investment circles through leveraging the Group's network.

Hana F&I

 www.hanafni.com

Hana F&I began as a specialized credit finance company in 1989 and transformed into an investment company specializing in the management of non-performing loans (NPL) in December 2013. It has been since contributing to improving the asset quality of the financial service industry and the virtuous cycle of non-performing assets leading to sound investments by managing various NPL-based investments. It changed its status of being a subsidiary of Hana Bank to the Group affiliate in December 2019, and expanded the business area to include corporate restructuring. Providing various financial services to companies facing restructuring, it continues to transform into a leading investment management company in the NPL market.
